

# LIV Meeting Minutes

## February 6, 2025

Since the meeting was held in the Auditorium of the Bethpage Public Library, where food is not permitted, refreshments were served in the Meeting Hall outside the Auditorium prior to the meeting. President John Albora called the meeting to order and began the meeting with the Pledge of Allegiance.

He reminded everyone to sign in on the Sign-In sheets and check their renewal date. John welcomed a new member, Terry Manning, who has a 1969 Convertible and a 2014 Convertible. John reminded members that Merchandise is now managed by Roy B., and we can order items individually. Items are shown on our website, <https://www.longislandvettes.org/>

### Past Events

#### **After the Holiday Party**

The party was held the Saturday after New Year's Eve at Domenico's restaurant in Levittown. The Price was wonderful, and the food and company was great fun. We held a 50/50 and a Tag Auction of items purchased or donated. The baskets and gifts were wrapped by a dedicated group of women – Deb C., Rose F., Sandy P., Jill, and Marie, and what a great job they did!

### Future Events

#### **Valentine's Day Luncheon**

The club is holding a lunch celebration at the Embassy Diner on Saturday, February 15, 2025, at 11:30 PM. We will order off the menu and checks will be per couple based on what they order. We must have everyone sign up in advance so John can let the diner know how many people will be coming. So far 28 people have signed up for the event.

#### **St. Patrick's Day Luncheon**

We are again holding our luncheon to celebrate St. Patrick's Day on Saturday, March 15, 2025 at the Knights of Columbus Hall where we held it last year. The cost is \$40.00 per person and the event is from 12:00 PM until 4:00 PM. The club is underwriting a portion of the cost. Flyers are on the table and please sign up in plenty of time before the event.

### **Connect the Dots not a Road - Rally**

Rich and Marty F. have put together a driving event for Sunday, April 6, 2025, meeting at 9:00 AM at the Welcome Center on the LIE. Directions will be handed out at the Welcome Center and the first car will leave at 9:30 AM. The purpose will be to mark certain locations on a map and then figure out the picture made by connecting the dots. The final location will be where we will be meeting for Brunch/Lunch. The driving event will be about 1-1 ½ hours. The cost is \$20.00 per car, plus whatever the cost at the restaurant is. This is not a rally so those who feel challenged by a rally need not worry.

### **BFCU/Four Leaf Car Show**

John A. has been in discussion with the staff at the bank and they have agreed to allow us to hold our car show there on Sunday, July 13, 2025, with a rain date of Sunday, July 20, 2025. The storage pods are there, and we will be permitted to store items in the pods the night before and the night after the show. The bank is not certain if the picnic area will be set up in the parking lot this year. John is asking for help in setting up the vendor area to drive more traffic around them. The Vendor income is all given to Last Hope Animal Rescue

We need lots of sponsors as that is what makes the event profitable. We have three different levels of sponsorship, and the information will be on the club website. Sponsors need not be limited to car-related businesses. We will also be taking a booth at the Tobay Beach Car Show to hand out flyers for our show, get some more members, and try to find some food vendors for our show.

### Membership Report

Brian L. reported that we have seventy-one members. He apologized as he was unable to bring the birthday list.

### Treasurer's Report

#### Other Business

##### **Wooden American Flags**

Phil P. reported that Mark F.'s neighbor makes wooden American flags with the Corvette logo on them for only \$35.00. He had a sample with him to show the club. If anyone is interested, please see Mark F.

##### **Barrett-Jackson Auction**

Mark T. reported on the goings-on at the auction this year.

Ownership of the auction is changing so there were lots of minor changes.

Resto mods and customs were most of the cars and went for more than original Corvettes.

There were lots of cars from TV and movies. Mark had lots of Marketing materials from the auction.

.

#### 50/50

Lou C. was the lucky winner!

President John A. adjourned the meeting.

Respectfully Submitted,  
Martha Baker-Fingerhut  
General Secretary
