

# LIV Meeting Minutes

## February 2, 2023

The meeting opened at 7:40 PM with the Pledge of Allegiance to the Flag. Thirty-one members were present (including officers).

### **OFFICERS' REPORTS**

**President - Tony Sorrentino**

**Vice President - Tom Toner**

BFCU has been contacted and the possibility of a 2023 car show at their Bethpage property seems promising. The membership will be informed as talks continue and progress is made.

If we move forward with the show, we will look for members to be involved with the planning of the show and procurement of permits. We will need members to work on committees for Registration, Parking, Tabulation, Judging, LIV Booth/Merchandise Sales, 50/50 Raffle Ticket Sales and Clean-Up. There was a good show of hands for members willing to help.

**General Secretary - John Albora**

The Tech Session at AutoMat is scheduled for Saturday, February 11, 2023. This tech session is presented by LIV and the Metro LI Chapter of NCRS. Please preregister for this tech session as we need a headcount and there will be a limit of 50. Refreshments will be served. Please visit the LIV website for the tech session flyer. Flyers and a sign-up sheet were available at the meeting.

A Tech Session is scheduled for Saturday, March 25, 2023, at Chris Tucci's Corvettes & Customs at 217 Cortland Street, Lindenhurst. This tech session will be presented by LIV and the Metro LI Chapter of NCRS. A flyer will be posted on the LIV website as soon as it is finalized.

If any members have any ideas for Club Events or Tech Sessions, they would like to chair please contact a board member.

If any members have any connections for a car show venue, please contact a board member.

Member **Sean McSweeney** has presented documentation from the West Babylon School District which reflects their desire to host a car show this year. Although we cannot commit to this show at this time, we may explore this venue should the BFCU show not materialize.

**Membership Secretary - Lou Trohatos**

The board will be giving all paid-up members a free club t-shirt, which will be different from those for sale (they were ordered after the meeting date). Once, available, we'll let members know, and they will be able to pick them up in person at a future meeting. To receive a shirt, we must have your shirt size - please enter it on the meeting sign-in sheet (previously entered sizes are noted). Those not in attendance tonight whose sizes we lack have been (repeatedly) emailed over the last few weeks with a Google Forms Survey asking for their size. We are still missing sizes for 22 of 92 members.

## OTHER ITEMS

Congratulations to LIV member **Mark Tulley** who became the NCRS National President last month. Long Island Vettes now has the NCRS National President, NCRS Metro Long Island Chapter Chairman (**Lou Coccaro**) and 1953-1955 National Judging Team Leader (**Greg Picconi**) as members.

Dual LIV/NCRS member **Lou Coccaro** mentioned a car show is in the works at the Veterans Home in Stony Brook. This will not be a judged show. **Lou** also mentioned that the annual NCRS Annual Membership Meeting and Judging School will take place Sunday, February 19, 2023, at the Bethpage Public Library. Also, the Spring Chapter Meet will be May 21, 2023, at JTM Motorsports in Deer Park. The date and location of the Spring Judging School is yet to be determined.

**Deborah Cook** informed the members about the Drive for Dana Car Show/Fundraiser which will take place May 21, 2023, at 4000 Middle Country Road (Miller's Ale House) in Lake Grove. Dana Ryan suffered a near fatal brain injury on July 9, 2018. All proceeds from the show go towards Dana's therapy. A reminder for this show will appear in the May 2023 meeting minutes.

Members **Randy Stever** and **Joe Morabito** have located a woman in upstate New York who will embroider the LIV logo on garments at a reasonable price. T-shirts and jackets can be found on the website: [www.alphabroder.com](http://www.alphabroder.com)

A member can pick a t-shirt or jacket off the website, fill out an order form and send a check to the address on the order form. The check should include the price of the garment plus the embroidery fee. A t-shirt will have an embroidered logo on the chest for an additional \$10.00. A jacket will have a small, embroidered logo on the chest and a large, embroidered logo on the back for an additional \$30.00. The club covered the one-time set-up fee of \$65.00. **Joe** plans to order a jacket soon so you can wait and see how his turns out before ordering. Order forms were available at the meeting and a downloadable order form is available on the merchandise page of the LIV website.

Long Islander and Corvette Magazine Technical and Motorsports Editor, Richard Prince, has come out with a new book to celebrate the 70<sup>th</sup> anniversary of the Corvette. We are hoping to schedule an event, possibly with NCRS, to host Mr. Prince for a book signing/discussion.

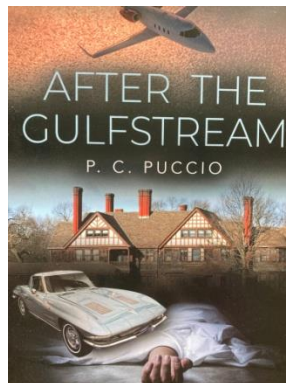

At the November meeting **Mike Comparetto** asked if the club will be having another road rally in 2023. **Rich** and **Martha Fingerhut** worked hard in planning, running (with **Lou T.**) and scoring the 2022 rally which was a big success. It would be nice if other members would step up and assume that role so that **Rich** and **Martha** could compete in the rally themselves.

**Pete Puccio's** new novel, his third, is available.

The book is titled "**AFTER THE GULFSTREAM**". Long Island Vettes is mentioned in the narrative of the book, as the main character, a major crimes detective, joins the club in his search for a '63 Split Window. The '63 Corvette is part of a continuing theme and is an integral part of the book. Check out the book cover. **Pete** stated the book is a crime drama, where the detective assigned to the case discovers the murder victim owns a '63 Split Window.

Books can be purchased at **BookLocker.com**. Use the Promo Code **Save20** for a 20% discount. Also check out the 60 second trailer on YouTube, it's pretty cool.
