See "Statement of Financial Activity" below.

Due to the merciless badgering by **Tom Sugar** and **Phil Pernice** at the October meeting, the club has placed an order for 36 club baseball caps from a new supplier on a trial basis. They should be available shortly. Please check the Merchandise section on the club website.

The LIV "**After the Holidays Party**" is rescheduled for Saturday, January 7, 2023. It will be held from 7-11pm at **La Piazza**, 2191 Merrick Road, Merrick. The restaurant owner has graciously agreed to hold our \$500.00 deposit from last year and has not increased his pricing. We are being charged \$65.00 per person. The club will subsidize \$20.00 per person for a member and one guest. A solo member will pay \$45.00 and a couple will pay \$90.00. A Chinese auction and 50/50 are planned. Phil Pernice and Deborah Cook have offered to chair this event. Registration forms were available at the meeting and are also downloadable on our website. **Please register sooner rather than later as an accurate headcount will allow us to better prepare.**

We will be supporting the John Theissen Children's Foundation (JTCF) 31st Annual Holiday Toy Drive again this year. The address is 1881 Wantagh Avenue, Wantagh. The LIV drop off date will be Saturday, November 26, 2022, with a rain date of Sunday, November 27th, 2022. We will meet at the foundation parking lot at the back of the strip mall at 11:00 AM. Drive to the very back of the lot where there is ample room to park your car safely. Flyers were available at the meeting and are on the club website.

Long Islander and Corvette Magazine Technical and Motorsports Editor, Richard Prince, has come out with a new book to celebrate the 70th Anniversary of the Corvette. We are hoping to schedule an event, possibly with NCRS, to host Mr. Prince for a book signing/discussion.

OTHER ITEMS

Lyle Magaril's wife **Bonnie** was attacked by a dog (Akita) while protecting her dog (1 year old German Shepherd) at a dog park on August 12, 2022. Her wounds are healing, and she is making progress. She will however have a long road to recovery which will involve physical therapy and possible future surgery. **Bonnie** thankfully has improved enough that she was able to attend tonight's meeting with **Lyle**.

Dr. Martha Baker-Fingerhut's scheduled surgery on her left hand has been postponed. She had previously had surgery on her right hand. Her surgery is rescheduled for November 17, 2022.

Dual LIV/NCRS Metro Long Island member **Mark Tully** (National Vice-President) reminded LIV members of their November 6, 2022, fall Wine Cruise. This is a charitable event to benefit the Long Island Veterans Home. A charitable donation of \$20.00 per car is suggested. Cars will take a scenic route (developed by **Rich F.** and **Martha B-F**) to the vineyard. The cruise will end at Duck Walk Vineyards in Water Mill. Participants are to furnish their own food and purchase beverages at the vineyard. Registration forms for this event were available at the meeting and are also available on the NCRS Metro Long Island website (www.metroli.org) and the LIV website.

Mark Tully also reminded NCRS members to sign up for their annual "Holiday Party Brunch". A limited number of reservations are available.

Kellenberg Memorial High School in Uniondale is being explored as a possible venue for a spring car show. More details to follow as talks progress.

Mike Comparetto asked if the club will be having another road rally in 2023. **Rich** and **Martha Fingerhut** worked hard in planning, running (with **Lou T.**) and scoring the 2022 rally which was a big success. It would be nice if other members would step up and assume that role so that **Rich** and **Martha** could run the rally themselves.

Pete Puccio's new novel, his third, is available.

The book is titled "**AFTER THE GULFSTREAM**". Long Island Vettes is positively mentioned in the narrative of the book, as the main character, a major crimes detective, joins the club in his search for a '63 Split Window. The '63 Corvette is part of a continuing theme and is an integral part of the book. Check out the book cover. **Pete** stated the book is a crime drama, where the detective assigned to the case discovers the murder victim owns a '63 Split Window.

Books can be purchased at **BookLocker.com**. Use the Promo Code **Save20** for a 20% discount. Also check out the 60 second trailer on YouTube, it's pretty cool.
