

LIV Meeting Minutes

September 1, 2022

The meeting opened at 7:36 PM with the Pledge of Allegiance to the Flag. Twenty-two members plus two non-member spouses were present (including officers).

OFFICERS' REPORTS

President - Tony Sorrentino

The 40th Anniversary of Corvettes at Carlisle is in the books. We once again had our club spaces A55 - A60. 22 members signed in at the tent. There were also many spouses present, as well as members of the Metro LI Chapter of the NCRS. There was no rain this year, and things went well. Unfortunately, due to the popularity of the "Reserved Fun Field" spaces, Carlisle is reconfiguring their layout to add more area to the Reserved Fun Field, and we will have to relocate. Doug Brooks is actively communicating with the "powers that be" to get the club a good location for next year. Special thanks to Lou Cocco, Mark Tulley, and Doug Brooks for organizing this event and keeping our drinks cool and our snacks plentiful!

The LIV "After the Holidays Party" is scheduled for Saturday, January 7, 2023. It will be held from 7-9pm at **La Piazza**, 2191 Merrick Road, Merrick. The restaurant owner has graciously agreed to hold our \$500.00 deposit from last year and has not increased his pricing. We are being charged \$65.00 pp. The club will subsidize \$20.00 pp for a member and one guest. A solo member will pay \$45.00 and a couple will pay \$90. A Chinese auction and 50/50 are planned. Phil Pernice and Deborah Cook have offered to chair this event. Additional details to follow.

A show of hands indicated interest in meeting up at the **Tipsy Barrel**, 470 Newbridge Road, East Meadow. The owner has previously closed off a section of his parking lot for our cars. Food and drink are available. Additional details to follow.

Vice President - Tom Toner (absent)

General Secretary - John Albora

If any members have any ideas for Club Events or Tech Sessions they would like to chair, please contact a board member.

If any members have any connections for a car show venue for next year, please contact a board member. As of this date we have no confirmation from BFCU that we

will be able to have a Fall 2022 or Spring 2023 car show at their Bethpage location. **Mark Tully** volunteered to contact former member **Joe Greco**. Joe was our contact to BFCU in previous years as his mom was a BFCU employee.

The Bethpage Public Library has given us the OK to hold our September and October meetings in the basement meeting room. This will allow us to have refreshments again. Coffee and Donuts will be procured by the previous meeting's 50/50 winner. That member will be reimbursed by the club.

Membership Secretary - Lou Trohatos

Membership is currently at 98.

WhatsApp participation is at 26. Please contact Lou T to join.

LIV Annual Membership Picnic was held on Saturday August 6, 2022, for the second year in a row at the home of Ed and Lisa Klobus in Syosset. 17 members and 14 guests attended. Ed and Lisa are great hosts, and their yard setup is the perfect entertainment venue. Between Ed's Corvettes and those of the attendees, we had quite the display in the large driveway and street. The weather was great, everyone had a great, relaxing, time, and no one left hungry! Ed suggests we hold it later next year, possibly the weekend after Labor Day.

Bonnie Magaril was attacked by a dog (Akita) while protecting her dog (1 year old German Shepherd) at a dog park on August 12, 2022. The other (71-year-old) dog owner had been repeatedly told not to bring his dog there as it is very aggressive towards other dogs. She was bitten in the left hand, right arm, and shoulder (front and back) and required considerable surgery and may need plastic surgery. She has been in the hospital for a couple of weeks and will also need considerable physical therapy. We sent her flowers.

Mark Feldman had his second successful cochlear implant surgery last month. He is scheduled to have the new device turned on tomorrow. This should allow him to fully hear the beautiful sound of his C7 exhaust, and hopefully in the not-too-distant future his C3 restoration's exhaust.

Dr. Martha Baker-Fingerhut is scheduled to have surgery on her left hand on September 22nd. She had previously had surgery on her right hand.
