The “Spring has Sprung” Tech Session at Plycar Automotive Logistics was held on Sunday March 20, 2022, in Nesconset. Thirty LIV members and 20 Cadillac club members attended the session. It was an enjoyable day viewing an immaculate showroom and a beautiful car collection. Our gracious host Chris Pliaconis catered the event and offered free merchandise to attendees. The LIV board and Plycar team also used the day to plan for the July car show planned at the facility.

The **LIV All GM Car Show at PLYCAR** is scheduled for Sunday July 10, 2022 (Rain date July 17, 2022) at Plycar's Nesconset location. The show was discussed in detail to bring the members up-to-speed on the arrangements made with Plycar to date, differences with our past BFCU shows, and items still to be fleshed out. To help get the word out, we've arranged to have our show flyers included in the goodie bags of the TOBAY Beach show on Saturday 4/30/22. We will need member help to make this show a success. Help is needed for Show Car Registration, Show Car Parking, Tabulation, LIV Booth/Merchandise Sales, 50/50 Raffle Ticket Sales, Show Field Clean-Up, and Judging. A sign-up sheet was introduced to have members planning to work the show indicate their assignment preferences. An event flyer should be available very soon.
