

# LIV Meeting Minutes

## December 5, 2024

President John Albora called the meeting to order followed by the Pledge of Allegiance. He reminded members to sign in with the Sign-In Sheets and check their renewal date. He also reminded everyone that voting for the Best of Long Island is on-going until December 15, so vote for LIV.

There were no new members or guests present tonight. John thanked Phil K. for bringing the coffee tonight, as we were in the Auditorium tonight and could not use our Keurig. John announced that Roy B. has taken photos of the merchandise that our new supplier can make, and they will be on our website soon. The merchandise has different color options and can be produced individually, rather than our club purchasing large quantities of each item. Instructions for ordering will be on the website, so please take a look. It will take a couple days to get the merchandise.

### Past Events

#### **Turkey Drive at BFCU**

On Friday, November 22, 2024, the club caravaned to BFCU to contribute to their Turkey Drive held in conjunction with Island Harvest. Our Club donated around \$500.00, and had our photo taken with their staff. They collected over 4,000 turkeys. In conversation with one of the Island Harvest staff they told us that while collecting food items is very helpful, cash donations allow them to feed even more people as they are connected with Feeding America. As such they have access to much better pricing than the markets and they can feed two people for \$1.00.

At the Turkey Drive, BFCU announced that they are changing their name to Four Leaf. They have not been acquired by another bank; they are just changing their name to allow more widespread marketing. (Hopefully they will still allow us to have our car show there.)

#### **Gaynor Brothers Toy Drive**

About fourteen members of the club brought toys to Gaynor Brothers Detailing on Sunday, November 24, 2024.

They will be taking the toys to NCPD Toys for Tots drive.

#### **NCRS Holiday Brunch**

On Sunday, December 1, 2024, NCRS held their Holiday Brunch and Chinese Auction at Desmond's at East Wind. The event was held from 11:00 AM until 2:30 PM. Lou Coccato is retiring as Chairman and Mark Tulley as Regional Director. Voting was held for new Officers and Art Nastri was elected as Chairman.

## Future Events

### **John Theissen Children's Foundation Toy Drive**

On Saturday, December 7, 2024, we will be caravaning to John Theissen Children's Foundation headquarters to deliver toys for John to distribute to hospitals, agencies and needy families. The JTCF is rated with 4 stars and 100% by Charity Navigator.

### **LIV Holiday Party**

On Saturday, January 4, 2025, we will be holding our annual "After the Holidays" dinner again this year at Domenico's. Doug B. was able to negotiate a great price for the party. So far, we have forty-two people registered and Doug needs to know by December 13, 2024, so he can inform the restaurant. We will be having a Chinese Auction and 50/50 at the party.

### **Tech Session**

John A has been talking with a detailing business in Nassau County, in the event that Gaynor Brothers in Bohemia is too far to travel. The owner has proposed January 5, 2025, as a date but that is the day after the "After the Holidays" dinner, and attendance would be an issue. John A. will try to reschedule the tech session.

### Membership Report

Brian L. reported that we have sixty-six members. Several of the attendees at the meeting noted that they were not listed on the Membership Sign-in Sheets and paid their membership dues, so now we should have sixty-nine members.

Brian also noted that we only had one birthday in December.

It was suggested that we could try to have a club booth at TOBAY Car Show to recruit new members. The cost for a booth is \$100.00 - \$150.00 and it permits earlier entrance to the show, so you're not stuck in traffic.

### Treasurer's Report

Beginning Balance	\$14,001.00
Receipts	\$1,172.00 (mostly for Holiday Party)
Disbursements	(\$540.00)
Ending Balance	\$14,633.00

### Other Business

John A announced that Point System winners, for highest attendance, will be announced in January 2025.

Bob Spinicchia reported that the red-light cameras are gone as of December 1, 2024, in Suffolk County. Nassau County has renewed the contract for the cameras and will be increasing the number of cameras by six hundred, so be careful in Nassau County.

### **50/50**

Doug B. won the 50/50 (again!) Lucky man!

Respectfully submitted,  
Martha Baker-Fingerhut  
General Secretary
