Miscellaneous

LIV Trademark: Art Donnelly updated the members on the result of the trademark proceedings. The panel of three judges that comprised the Trademark and Appeal Board of the United States Patent and Trademark Office decided in favor of our LIV, and the other LIV's opposition was dismissed with prejudice, which means they cannot re-file. While the official paperwork will not be received for a few weeks, we own the trademark to the name "Long Island Vettes."

Newsday Car Show: Lou Coccaro mentioned that Newsday's annual *Field of Wheels* car show will take place on Saturday May 12th at their location in Melville (see below). Cars must pre-register individually. Clubs can also send their logo to be displayed on a big screen. This free event will showcase various makes, models, classes, and years of vehicles from across Long Island. Demonstrations will be held on everything from stereo installs to airbrushing. A variety of exhibitors, music, and attractions for the kids will ensure that there is something for everyone. You can get a maximum of 6 tickets free by logging onto their website and printing them.
