

# LIV Meeting Minutes

March 3, 2022

The meeting opened sometime after sunset (forgot to record start time) with the Pledge of Allegiance to the flag.

Twenty-three members were present. (Including officers)

## **OFFICER'S REPORTS**

### **President - Frazer Bharucha**

The “After the Holidays/20<sup>th</sup> Anniversary Dinner” is scheduled for Saturday 3/12/22. We presently have twenty-six people paid up and the restaurant requires a minimum of 50. The question was raised whether there were any members in attendance who have not yet committed to the dinner but would like to come. A show of hands revealed 5 (10 with spouses/girlfriends) additional attendees. This would now give us a total of thirty-six attendees, still short of the required minimum. We will reach out to the restaurant to see if they will allow us to postpone the event again or if we will have to cancel and lose our deposit. An email to all members will follow. If cancelled or postponed those who have paid will receive a refund check from the club.

### **Town of Oyster Bay Car Show at TOBAY Beach 4/30/22 (Rain date 5/1/22)**

We will caravan to this show. Nassau County meeting place to be determined. The start time for the show is 11:00 AM but to avoid waiting on an extremely lengthy line on Ocean Parkway, the caravan will be arriving very early. Pre-registration is highly recommended. There is a link to this show on our website where a registration form can be found.

The **LIV All GM Car Show at PLYCAR** is scheduled for 7/10/22 (rain date of 7/17/22) at Plycar's Nesconset location. The board has had two meetings with the Plycar team and planning of the show is progressing nicely. The Plycar owner, Chris Pliaconis has been very gracious to the club, and we want to make this show a success for our club and Plycar with the hopes of sharing future events. We will need substantial member involvement to make the show a success. We will need committees for Judging, Registration, Tabulation, Parking, and Set-Up/Clean-up. **Joe Balabanick** has agreed to Chair the Judging Committee. A judging school is also planned. **Sean McSweeney** has agreed to take pictures of car entries. A show flyer will be posted on our website as soon as necessary details are finalized.

### **Treasurer - Rich Fingerhut**

The LIV **"Great Grape Road Rally"** will be held on Sunday 4/24/22. The event flyer and registration form are now posted on our website. The rally will start in Center Moriches and encompass the North and South forks of Long Island. The fee is \$15 per car. A driver and navigator are required. There is a 35-car limit so register early. We are planning to have a caravan from Nassau County to the rally starting point, details to follow. Any members who would like to run the rally but not compete may do so also, however, registration will still be required. Rich and Martha could use some help on the day of the rally so any members not entering the rally who would like to help should please contact Rich.

Members are encouraged to explore the **LIV Website**. Club event flyers, meeting minutes, photos from past club events, contact email addresses for board members and pertinent links are all available on the website.

See "Statement of Financial Activity" below.

### **General Secretary - John Albora**

**Spring has Sprung Tech Session at Plycar Automotive Logistics** is scheduled for Sunday 3/20/22 in Nesconset. A flyer is posted on the club's website. Members wishing to attend should inform John as soon as possible as there is a 50-person maximum. There is an amazing car collection at this

facility. The club needs to have a good showing here as the owner, Chris Pliaconis is hosting our 7/10/22 Car Show.

## **OTHER ITEMS**

**Breakfast at Gatsby on the Ocean** - Phil Kostis has reached out to the restaurant and was given a price of \$69pp for a brunch. After relaying this to board members he reached out again and was able to get the price reduced to \$49pp. He will reach out again to see if we can do a simpler cheaper breakfast, like what we have done in the past.

**Mark Feldman's At-Home Tech Session** - Mark is eager to have a tech session at his new garage. He recently had lifts installed by AutoQuip Sales, Inc. He also suggested members can do oil changes during the tech session if they desire. A tentative date was discussed, but not finalized. A flyer will be added to the club website when arrangements are locked in.

The club is still working on a **20<sup>th</sup> Anniversary Logo**.

**Phil Pernice** stated he would check on a portable toilet vendor he knew. This could be useful for shows.

**Joseph Morabito** said he will check with a merchandise vendor he knows regarding our club merchandise.

**Cathy Cavallo-Pellegrino** (Frazer's partner) sold tickets for the **50/50 Raffle**. \$120 was collected. **Phil Kostis** won the \$60 raffle prize. First raffle in months that did not reek of nepotism. (\*Joke\*)

We are still working on the **LIV 20<sup>th</sup> Anniversary Logo**.

The General Secretary neglected to note the time of meeting adjournment.

The next meeting will be held on Thursday 4/7/22 at the Bethpage Public Library.  
**Please try to attend as we need to start setting up committees for our 7/10/22 Car Show.**
